Local
Championships

Local Championships

- * In past Spring seasons, LCTA has run a (2) week Local Championships that included (2) Low Country facilities with multiple rounds of round robin play.
- * While Covid-19 cases continue to grow in the Low Country, LCTA wants our players and facilities to know that we are doing everything that we can to offer safe league play.
- * It has been decided that we will not run our traditional Local Championships format for the 2021 Spring season.
- * Instead, we will run a single elimination Local Championship for the 2021 Spring season.
- * 2021 LCTA Local League Regulations will reflect the Local Championship format.
 - * How does this affect your teams?
 - * Who and What isn't affected by this change?

How does this affect your teams?

- * USTA SC regulation 2.02B(1)(b): Flights with (16) teams or more will receive (2) invitations to State Championships.
- * If your team is in a Flight that has (2) or more sub-flights, the top team in each sub-flight will participate in the single elimination Local Championship. Each team will receive an alpha designation and the alpha designations will be drawn from a receptacle.
 - * If there are (2) sub-flights, the top team in each sub-flight will play a single elimination match to determine which team will advance to the State Championships.
 - * If there are (3) sub-flights, (2) teams will be chosen to play, and the third team will have a BYE.
 - * The winner of the first match will play the team with the BYE and the winner of that match will advance to the State Championships.
 - * If there are (4) sub-flights, the top (4) teams will be paired to play a single elimination match.
 - * The winners of the (2) single elimination matches will play for an opportunity to advance to the State Championships.

Who isn't affected by this change?

- * Single flights are not affected by this change. The top team in the single flight will automatically advance to the State Championships.
- * Flights that can play their regular season at the State Championships.
 - * 18 and over 5.0 Men and Women
 - * 70 and over 4.0 Men and Women
